About the Capital University , Koderma , Jharkhand

Capital University Jharkhand (CUJ) is established under state act Hon'ble Governor of Jharkhand. This University proposed 32 Acres of land surrounded by Hills in pollution free, lush green and eco friendly environment. We have taken utmost care not to disturb the ecological balance of the area due to erection of buildings and other infrastructures. Universities were historically conceived as spaces where teaching and research go together. They are closely linked. Research and teaching are simply different aspects of academic work. Capital University will focus on the Research work also.
